

Catering Start-up – Summer Task

You are required to research three catering jobs, one **local** (Shropshire), one **National** (England, Scotland or Wales) and one **International** job (Europe or Rest of the World).

Once you have found your three jobs, print them off or cut them out of the newspaper and enter the relevant information in the table provided.

Make a list below of as many different types of establishment there are in the hospitality and catering industry. For example: **cafes, bars, restaurants etc.**

Also, make a list below of all the different types of jobs there are in the hospitality and catering industry. Write down as many as you can. For example: **Head chef, bar person, kitchen porter etc.**

Types of establishment

Types of job

Table showing job opportunities
