

Hairdressing Level 3

You are required to produce a typed assignment with a front cover, contents page and a bibliography.

This must be typed and handed in a plastic wallet with your name on it.

It is important that you produce this piece of work to the best of your ability as it is used to initially assess your starting point for the year.

Colouring and lightening hair

Research the following:

- Name at least 4 factors you would need to consider prior to and during this service and explain why. (e,g – percentage of white hair.)
- Explain why, when and how 6 the tests are demonstrated.
- Describe how the ICC is used. Explain Depth and tone.
- Identify why we use the colour star.
- Show the effects of temporary, semi, quasi, permanent and lightener on the hair structure. List the longevity and benefits for each product.
- Compare 3/6/9 and 12% and identify their uses.
- What is the lightening curve? How is it used?
- Describe what is meant by pre softening and pre pigmentation?
