

## Student Travel 2024-25

Arriva would like to take this opportunity to remind you about the options we have available to support students travelling on our bus services. Arriva Student Saver tickets not only provide you with reduced priced bus travel on your journey to and from university, but you can also use the same pass to travel in the evenings, at weekends, and throughout all the term holidays!

You can spread the cost of your student saver tickets over affordable monthly payments with our easy-to-use direct debit scheme. It is simple to apply and there is no setup fee or minimum contract, which means you can cancel your direct debit and stop your ticket at any time, should your circumstances change. This makes it the ideal way to get reduced price bus travel without having to pay for tickets upfront.

To arrange your Direct Debit and for further information please follow the link or scan the QR code below:
